COMPANY OVERVIEW

Established in 2007, **JR Landscape & Facility Management LLC** is a proven provider of comprehensive environmental and waste management solutions. We bring extensive experience in debris removal and vegetation management, notably our work following Hurricane Fiona with municipalities and the University of Puerto Rico. Committed to meeting the diverse needs of our clients, we are well-equipped to handle specialized solicitations.

CORE COMPETENCIES

- Landscape and Ground Maintenance
- Debris Removal and Hauling Services (Including post-disaster debris removal from Hurricane Fiona for Municipality of Lajas, Municipality of Cidra, the Municipality of Rio Grande, Juncos, Las Piedras, and Guayanilla, as well as the University of Puerto Rico campuses in Humacao, Ponce)
- Waste Management and Disposal Services
 - Certified Recycling and Disposal: Partnering with certified recycling centers to ensure proper waste management, compliance, and issuance of certificates of disposal. (Disposal of electronics for UPR Carolina)
- Tree and Vegetation Clearing
- Preparedness and Disaster Recovery
 - ✓ Immediate assistance to remove hazards, debris, trees, clean ground, and roads.
 - ✓ Supply diesel to generators and equipment.
